Religious Education Parent Agreement

As the primary educator of my child’s Religious Education, I agree to partner with the Religious Education Department at SSPJ in helping to prepare my child this year.

I understand that by signing this form, that I agree, am willing and prepared to do the following:

- Our family will attend Mass each Saturday or Sunday, and my child will hand in their weekly reflections on the due date listed on the reflection sheet. If I cannot or my family cannot get to weekly Mass, I will support my child’s attending Weekly Mass by finding another parent, within the program at SSPJ, to take my child to Mass.
- I will support my child as they complete the required homework for each week and instill in them that their homework is a “written” representation of themselves, to be completed neatly and must be handed in by Saturday of the week it is due.
- I understand that if three (3) homework assignments are missed, an email will be sent to me stating that my child has one week to complete these assignments or risk being dismissed from the program. (The best learning takes place when one lesson is completed each week).
- I will support my child attendance to ALL mandatory grade-level required events (where dates will be shared well in advance of the event).

I truly understand what it is to be cooperative within our Faith community at SSPJ, and am willing to collaborate with you to help my children become responsible young Christian adults. As their learning deepens, I pray their love for Christ matures and grows stronger.

Signature (Parent or Guardian): _____ Date: _____
